

exeo AMP

Digital amplifier

tangent[®]
DANMARK

The EXEO AMP is a 2 x 60-watt @ 8Ω, Class-D switched power amp. It provides plenty of power to the attached loudspeakers, pumping out the listener's favourite music clearly and richly. Among the multitude of connection options are gold-plated RCA connections for a CD player, FM/DAB/NET radio, and auxiliary sources. Add a phono input, and outputs for recording, power amplifier, active subwoofer and headphones, and the EXEO AMP becomes more complete.

An A-B speaker selection function makes it possible to playback music in two individual sound zones, depending on your physical setup. Up to four speakers (2 x stereo) in the two zones can either play your music individually or together.

Both the EXEO AMP and EXEO CDP feature large VFD displays. Centrally located, the VFD display offers a wide viewing angle and an appealing intensity. Highlighting user-friendliness, the display can be dimmed according to the ambient light.

FEATURES

- CLASS-D AMPLIFIER
- 2 X 60 WATT @ 8Ω
- A/B SPEAKERS
- SUBWOOFER OUT
- BLACK ALUMINIUM FINISH
- DANISH DESIGN

SPECIFICATIONS

Power @8R :	>60W
Power @4R :	>100W
Standby consumption :	<1W
Signal/noise ratio :	101dBA
Frequency response +/- 1dB :	20-20KHZ
Dynamic range :	100dBA
Crosstalk :	-70dB
RCA inputs :	4
Phono input :	Yes
Level in :	Yes
Subwoofer out :	Yes
Speaker connector :	Binding post
Mains voltage :	100-240VAC
Dimensions (WxHxD) :	430 x 92 x 283mm
(with plugs and knobs)
